

Newport News Junior Summer Camp Participation Form

Summer 2018

Information For Parents and Guardians

Note: Camps are for children ages 6 - 11. Please keep this page for your records.

General Information

This program is designed to be a fun, safe, and an educational experience for your child. Golf is a tremendous game. There is so much an individual can take away from this sport. The game of golf offers a wide range of life values too. We have chosen 6 Core Values to represent our Newport News Juniors - Sportsmanship - Honesty- Respect- Integrity-Maturity- Patience - or SHRIMP. This game must be practiced to get good. These values aren't just cool things to say. They, too, must be practiced. We will teach and ingrain with our youth these values and how they are utilized on and off the course.

Another thing we do is teach the game to your kids the right way. We have seen a plethora of other programs out there. Albeit some are very good programs, but some are just expensive overrated day camps. The Peninsula area lacks a good program to engage your youth and keep them engaged. ENGAGED!! That is a key word. We have to keep them engaged. Kids get bored too easily these days. Kids want to have fun and if they aren't having fun they'll choose to do something else. We will engage your kids with mixing up fun games to be learned and played with the game of golf. Like Tic-tac-toe, hop-scotch, mini golf, to name a few. We will teach them sound grip, aim, and set-up fundamentals. We will start with putting, move into chipping, and then tackle the full swing during the course of the week's program.

Instructor Bio

The Newport News Junior Program will be led by Dominic Lizarraga. Dominic is a graduate of the Golf Academy of America (San Diego's Campus) where he earned his Teaching and Advanced Teaching Certificates along with playing credentials, club fitting certificate and a degree in Golf Course Complex and Facility Operations and Management. He has also attended the U.S. Kids Golf Coaching Seminar and has completed the steps required to be established as a U.S. Kids Golf Certified Coach. Dominic is a father of two wonderful children, Ryder 7 & Sarah 9, and is also a Retired Veteran after 20 honorable years of service. He's on a mission to make a difference.

Payment and Registration

- Receipt of payment in full accompanied with the Registration and Release forms guarantees that your child is registered for a particular scheduled class. **Your phone call or email is only a request for a registration packet: it does not hold nor guarantee your child's place in a camp session.**
- If you will be paying by check, please make checks payable to *Golf LogiK* with your child's name in the memo section of your check.
- This will be a first-come, first-served registration process. It is in your best interest to submit payment and forms to us as soon as possible; once we have received the maximum number of applications for any scheduled class, that class is closed and additional juniors will not be added.
- Classes may fill quickly, therefore you are being asked to select a first choice class and a second choice in the event that your first choice class is full.
- Only parents/guardians of children will be permitted to register their children; it is not possible to register children of friends, neighbors or relatives.
- A confirmation letter will be sent to you a week before your child's class begins.

Water, Snacks, Dress, and Repellant

- We will have water and "Capri Sun" type juice boxes. If you wish, your child may bring water or juice from home. No SODA, ENERGY DRINKS, OR CAFFEINATED DRINKS will be provided and we ask the same of you.
- We will have a snack break each day midway through our class. We will provide light snacks, i.e., snack bars, fruit cups, or chips. You may provide your child with their own snacks with a small cooler. We will inform each class if there are any known food allergies. From there we will make adjustments to keep all safe.

- Children should wear summer-appropriate clothing. No sandals or flip-flops will be allowed. Insect repellent and sunscreen should be applied to your child prior to arriving every day and the lotions may be left with your child during the class in their golf bag. After a day at the course, you should inspect your child for ticks and chiggers immediately. Children will be spending the majority of the camp session out of doors and will benefit from protection from the sun and numerous insects from the nature of Newport News Park. SAFETY FIRST
